Education

University of Southampton — Southampton, UK
Ph.D. candidate in Computer Science — 2023–current

- Supervisor: Prof George Konstantinidis, DAIS Group
- Research Interests: Data Marketplaces, Trust Management, Data Privacy

University of Bristol — Bristol, UK
M.S. in Communication Networks and Signal Processing (Distinction) — 2021–2022

- Thesis: "Proof of Location assisted Self-supervised Multi-Agent Cooperation Framework"
- Modules include Principles of Communication Systems, Signal Processing, Network Protocols

Xidian University — Xi'an, China
B.Eng. in Information Security — 2016–2020

- Thesis: "Framework design for Federated Learning"
- Modules include Machine Learning, Computer and Network Security, Database Principle

Experience

University of Wroclaw — Wroclaw, Poland
Visiting Student - VLDB Summer School 2025 — Summer 2025

- Trustworthy Processing of Very Large Databases:Foundational Topics, Systems, Reliability & Security, Applications

IEEE Student Branch, University of Southampton — Southampton, UK
Treasurer, Publicity (Webmaster) — 2023.12–2025.02

- Responsible for maintaining the financial accounts.
- Responsible for promoting the activities of the student branch.

University of Southampton — Southampton, UK
Teaching Assistant - Foundations of Computer Science, Python Lab, Data Management, etc. — 2023.10–present

Bank of China, Software Center — Xi'an, China
Software Engineer Intern - Software Development, Database Maintenance — 2023.07–2023.09

Toshiba - The Bristol Research and Innovation Laboratory — Bristol, UK
Research Intern - Research in secure cooperation in multi-agent/robot systems — 2022.06–2023.01

TP-Link Technologies Co., Ltd. — Shenzhen, China
Senior Technical Engineer — 2020–2021

- Responsible for all kinds of network devices include routers, extenders, adaptors, modems

Imperial College London — London, UK
Visiting Student - Data Science Summer School — Summer 2019
